Vol. No. XVI SILVASSA Monday 3rd May, 1999 / Vaisakha 19, 1920 S.No.12.

U.T ADMINISTRATION OF DADRA & NAGAR HAVELI,
CIRCUIT HOUSE,
SILVASSA.

No.PCC/DMN/13-III/1999-2000/

Dated : 03/05/1999.

NOTIFICATION

Whereas the Union Territory of Dadra & Nagar Haveli has been declared as an Air Pollution Control Area vide Notification No. G.S.R. 429(E) dated 10/02/1989. Whereas under Section 25 of the Water (Prevention and Control of Pollution) Act, 1974 and under Section 21 of Air (Prevention and Control of Pollution) Act, 1981, it is required to obtain consent from the Pollution Control Committee to establish or to take any steps to establish any industry, operate or process or any treatment and disposal system which is likely to discharge sewerage or trade effluent into stream or sewer or on land and also to operate any industrial plant in an Air Pollution Control Area.

Whereas it is essential to facilitate regulated industrial growth of non polluting industries and to ensure environmental protection of the U. T. of Dadra & Nagar Haveli, it is decided to re-categorise industries depending upon their Effluent discharge, Emission into Ambient Air, Generation of hazardous and solid wastes, foul odours and noise pollution, Hazard & Explosion potential and Public safety & health.

Whereas a Draft of a Notification has been issued by the Administrator of Dadra & Nagar Haveli in exercise of the powers conferred by Sub Section (1) read with clause (v) of sub-section (2) of Section 3 and clause (e) of Sub-section (2) of Section 6 of the Environment (Protection) Act, 1986 (29 of 1986) and Government of India. Ministry of Home Affairs Notification S.O. 667(E) dated 10/09/1992. The above Notification has been published as required under Sub rule (3) of Rule 5 of the Environment (Protection) Rules, 1986, vide No. PCC/DMN/13-III/98-99/232 Dated 4/12/1998 for the information and to invite objections/suggestions from all persons likely to be affected thereby.

And whereas an open house session has been convened on 13/2/1999 in the Conference hall, Secretariat, Daman to elicit the views of all concerned. The suggestions and objections made in the Open House Session and the written Submissions/ Objections/ Suggestions received have been duly considered by the Administration.

02-1

- Call bell and buzzers
- CRT data display monitors
- Domestic Electrical/electronic appliances, Radio, tape recorder, VCP, VCR, TV and all audio-video equipments, Loud speaker, Electrical Iron, Fan, Push button starters, T.V antenna, T.V booster, amplifiers & T.V Tuners (turrets type)
- Electric kettles, egg boilers, coffee percolators, Espresso coffee maker.
- Electric motors and all other wire winding works
- Electrical switches, panel boards, Switch board, Control panels and Distribution boards.
- Fluorescent tube-light fittings and fixtures.
- Hearing aids.
- Injection moulded firemer (spare parts).
- Miniature circuit breakers, solid state light dimmers & twilight switches.
- PCB assembly with electronic components.
- Printed circuit boards, Miniature bulbs, decorative bulbs, tube light chokes & night lamp
- Room coolers, air coolers, water coolers, water heaters & Air conditioners (without gas filling or charging)
- Telescopic articles
- Transformers
- Valve and transistor radio
- Water meters

SCHEDULE - I (ii)

2. Engineering Fabrication and Assembly without Chemical process and Heat Treatment.

- Agriculture equipment's like Tractor trailer, farm field vehicles & Wheels for bullock carts & vehicles used for farming by way of fabrication only.
- Atta machine, Besan mill, Atta chakki, Masala chakki, Dal mills.
- Aluminium hangers.
- Aluminium windows, doors, shutters.
- Bicycles and tricycles parts and assembly.
- Engineering workshop, machine shop, press shop, fabrication shop, smith shop, turning shop, fitting shop.
- Iron cots.
- Motors and pumps.
- Musical instruments.
- Nuts, Nails, bolts.
- Power press.
- screw drivers
- Steel & Metal Containers.
- Surveying instruments.
- Tool manufacture.
- Weighing machines and other technical equipments such as drawing instruments.
- Manufacture of metal caps/crowns.

3. Paper Products (excluding manufacture of Paper and Pulp)

- Bags, envelopes, cones, tubes, toilet rolls, exercise books, registers, boards, letter pads, folio, filecover, file box & paper bag without printing except screen printing.
- Book binding.
- Tele printer roll using paper/cardboard
- Insulation and other coated papers
- Paper cups and plates.
- Wax paper & thermal paper

- Cooker handles & photo frames.
- Gold and Silver smithy.
- Jewellery and Diamond (Polishing/Cutting).
- Musical instruments manufacturing.
- Pottery.
- Raincoats & Umbrella (Tailoring and sealing)
- Spectacle frame.
- Sports Goods.
- Surgical bandage & gauges.
- Coir units
- Assembly of camera parts.

SCHEDULE - II (i)

GREEN CATEGORY INDUSTRIES

PREAMBLE :

1. All White list industries in MSI and LSI Category would fall under Green Category.
2. Any industry listed in White Category and intend to use any or all utilities like D.G sets, boilers, thermic fluid heaters, furnace, chulas, ovens, heaters, dryers, and incinerator would fall under Green Category
3. Under this category only the below mentioned capacities of installation/ equipments is permitted. Any equipment whose capacity exceeds the above limits shall fall under Orange Category:
 - Boiler - 600 Kg/hr
 - * Thermic fluid heater - 2 lakh Kilo calories/hour
 - cooling towers - 60 TFR.
4. All Green Category industries are required to make separate applications under Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981.
5. List of industries classified under Green Category is as under : The list is not exhaustive but only representative in nature.

FOOD :

1. Manufacture of Food products: with processing capacity less than 100 kg/day.
2. Manufacture of Biscuits, Pastries, Confectionery, Bread & bakery products.
3. Cold storage units.
4. Ice plants upto 20 tons/day capacity.
5. Mineral water and Soft drinks (bottling plants) and aerated drinks upto 5 KLD of Process Water.
6. Processing and packing of tea, coffee, cocoa, spices etc.
7. Manufacture of Milk products.
8. Rice milling and flour mills
9. Salt manufacture.
10. Manufacture of industrial, medicinal and domestic food grade perfumes and flavours by way of mixing and blending.
11. Oil expelling

SCHEDULE - II (ii)

TEXTILE PRODUCTS :

- 1) Yam Texturising/crimping/twisting units.
- 2) Powerlooms, Knitting, Jacquard knitting, Circular knitting & Weaving

MISCELLANEOUS:

- 1) Hospitals and clinics
- 2) Restaurants
- 3) Rubber moulded goods
- 4) Fibreglass moulding
- 5) Footwear manufacture
- 6) Biogas
- 7) Briquetted fuel
- 8) Laundries
- 9) Manufacture of cork sheets
- 10) Mirror making
- 11) Glassworks and optical lens by way of cutting, grinding and polishing only.
- 12) Manufacture of animal feed (only dry operation)
- 13) Pulp products by moulding and extrusion

SCHEDULE - III (i)**ORANGE CATEGORY INDUSTRIES****PREAMBLE:**

1. All those industries which are significant to Water, Air and Noise Pollution and have potential for generation of solid and hazardous wastes are classified as Orange Category industries.
2. Since industries falling in Orange category are required to establish Effluent Treatment Plant (ETP) and/or Air Pollution Control Devices (APCD) and/or facility for safe disposal of Solid/Hazardous wastes and/or Compost pits, new units shall not generally be permitted in galas.
3. They require to make separate applications under Water (Prevention and Control of Pollution) Act, 1974 and Air Prevention and Control of Pollution) Act, 1981. Operate/Renewal Consent shall be granted for only one year.
4. All industries falling under this category are required to provide separate energy/electricity meter to the ETP and APCD and should engage qualified personnel to operate such installations. They will also provide Water/Flow meters at inlet & outlet of ETP and necessary Sampling and Monitoring facilities as required under various Environmental Acts/Rules.
5. They are required to submit an Environmental Audit Report for every financial year ending 31st March in form - V of the Environmental (Protection) Rules, 1986 on or before 15th May every year.
6. If any industry produces/uses HW in their manufacturing process they require to take Authorisation to collect, treat, store, transport and dispose the same in compliance with the provisions of Hazardous Wastes (Management and Handling) Rules, 1989. They are also required to make necessary arrangements to store solid wastes and will also comply with the Provisions of Manufacture, Storage, Import of Hazardous Rules, 1989 wherever applicable.
7. All major water consuming industries are required to obtain permission from the concerned authorities to tap ground/surface water and accordingly pay Water Cess in accordance with the Water (Prevention and Control of Pollution) Cess Act, 1977 and Water (Prevention and Control of Pollution) Cess Rules, 1978 as amended from time to time.

RED or BANNED LIST**PREAMBLE :**

1. All those industries which are considered to be highly polluting and use Toxic, Corrosive, Explosive, Hazardous, Abnoxious Chemicals, materials & products and highly inflammable materials in their manufacturing processes are included in the Banned Category of Industries which shall be known as Red Category industries. This list also includes those industries/manufacturing processes/products who may endanger public health, safety and Environment.
2. For Red Category industries neither new establishment Consents shall be granted nor production capacities enhanced. These industries need frequent monitoring and close scrutiny and hence Renewal Consent shall be granted for only one year.
3. All Red category industries must have full fledged ETP and APCDs provided with separate energy/electricity meter and will engage qualified personnel to operate. They should also provide Water/Flow meters at inlet & outlet of ETP and shall submit Analytical Test Report for every quarter.
4. They are required to submit an Environmental Audit Report for the financial year ending 31st March in the Form - V of the Environmental (Protection) Rules, 1986 on or before 15th May every year.
5. If any industry produces/use Hazardous Wastes in their manufacturing process should obtain Authorisation to collect, treat, store, transport and dispose the same in compliance with the provisions of Hazardous Wastes (Management and Handling) Rules, 1989. If any industry uses any chemicals listed in Schedule - I, II, & III of Manufacture, Storage and Import of Hazardous Chemicals Rules, 1989, they shall follow the provisions of said Rules.
6. All major water consuming industries are required to obtain permission from the concerned authorities to tap ground/surface water and accordingly pay Water Cess in accordance with the Water (Prevention and Control of Pollution) Cess Act, 1977 and Water (Prevention and Control of Pollution) Cess Rules, 1978 as amended from time to time.

Chemicals

1. Manufacture of organic and inorganic gases.
 2. Manufacture of alkalis, acids and electro-chemicals
 3. Manufacture of Barium chemicals.
- SCHEDULE - IV (ii)
4. Manufacture of chlorates, perchlorates, permanganates and peroxides.
 5. Manufacture of Chlorine, Fluorine, Bromine, Iodine and their compounds
 6. Manufacture of industrial carbon and carbon products
 7. Manufacture of Cyanides
 8. Manufacture of gelatine
 9. Manufacture of inorganic chemical fertilisers.
 10. Manufacture of technical and intermediaries of Synthetic pesticides /insecticides /fungicides/ algicides/ herbicides/ Agrochemicals.
 11. Production of acid slurry through Oleum Sulphonation process.
 - Manufacture of Writing & printing ink and their intermediates, those not falling under Orange Category.
 - Usage of Diazo dyes.
 - Manufacture of Photographic film and chemicals
 - Manufacture of Dyes, dye stuffs and dye intermediaries.

SCHEDULE - V

CONSENT FEES TO BE CHARGED BY POLLUTION CONTROL COMMITTEE, DAMAN & DIU AND DADRA & NAGAR HAVELI FOR GRANT OF CONSENT TO ESTABLISH / OPERATE / RENEWAL FOR ALL INDUSTRIES SEPARATELY UNDER WATER (PREVENTION AND CONTROL OF POLLUTION) ACT, 1974 AND AIR (PREVENTION AND CONTROL OF POLLUTION) ACT, 1981.

SR. NO	CAPITAL INVESTMENT (Rs.)	CONSENT TO ESTABLISH (Rs.)	CONSENT TO OPERATE (Rs.)
1.	100 crores & above	1,00,000/-	1,00,000/-
2.	50 crore to 100 crore	60,000/-	60,000/-
3.	10 crore to 50 crore	40,000/-	40,000/-
4.	5 crore to 10 crore	10,000/-	10,000/-
5.	1 crore to 5 crore	5,000/-	5,000/-
6.	60 lakhs to 1 crore	2,000/-	2,000/-
7.	10 lakhs to 60 lakhs	1,000/-	1,000/-
8.	Below 10 lakhs	200/-	200/-

The consent fee structure is on the basis of the capital investment which is construed to include, land, building, plant and machinery without depreciation. Details of capital investment have to be authenticated by means of a copy of document contained in the Annual report of the Company or audit statement of accounts or a certificate from the Chartered Accountant or an affidavit/undertaking on Rs. 20/- non-judicial stamp paper duly signed by the authorised signatory of the unit.
