

INDUSTRY DATA SHEET FORMAT

Name of the Industry :-	ABC Pvt. Ltd.				
Address :-	India				

Details of contact persons	Name	Telephone No.	Fax No.	Mobile No.	Email
	ABC				

H.O. Address :-	As above				
-----------------	----------	--	--	--	--

Details of contact Persons/ Directors / Owners	Name	Telephone No.	Fax No.	Mobile No.	Email
	ABC				

Products manufactured	Sr No.	As per Establish/ Operate consent orders	Quantity manufactured during last 4 years			
-----------------------	--------	--	---	--	--	--

		Name of products	Production Capacity	2011-12	2012-13	2013-14	2014-15
	1	Tablets- & Capsules-	350 milliins/yr & 50 Millions/yr	--	--	--	--

Details of Raw materials to be used	Sr No.	Chemical Name of Raw Materials	Trade Name of Raw Materials	Quantity to be stored at any given time	Whether purchase from manufactures, auctioneers, traders, imported etc.
	1	1. Actives Ingredients like Ciprofloxacin Hcl, Aspirin, Diclofenac, Metformin, Glibenclamide, Atorvastain, Clopidogrel, Azithromycin, etc. 2. Aerosil, 3. agnesium Stearate 4. Starch 5. Talc 6. Lactose 7. Starch 8. Titanium Dioxide 9. Dicalcium Phosphate 10. PVP K-30 11. Methyl Paraben 12. Propyl Par	--	500 MT	Manufactures / Traders

Details of hazardous chemicals used as per MSIHC (Amendment) Rules, 1989 as amended in 2000 (Please enclose MSDS of all hazardous chemicals).	Sr No.	Chemical Name of hazardous chemicals	Quantity to be stored at any given time	Threshold quantity as per MSIHC Rules	Flash Point©	Boiling point ©

If you are handling hazardous chemicals please indicate the status of compliance of MSIHC Rules	:-	Not applicable
---	----	----------------

Details of insurance policy as per Public Liability Insurance Act, 1991	:-	Not applicable
---	----	----------------

Details of hazardous wastes (AS per HW (M&H) Rules 1989 as amended in 2003	Sr No.	Process generating Hazardous Wastes as per Column 2 of schedule I	Type of wastes as per Column 3 of Schedule I	Quantity generated per month	Specify whether the waste is recyclable, Incenurable, Land Disposed etc.	Quantity of HW presently lying in the factory.
	1	Machinery	5.1	100 Lit./Year	Recyclable	--
	2	Raw Materials	33.3	1000 Nos./yr	Reuse	--
	3	Expired date Drugs	28.4	1 MT/year	Land Disposable	--
	4	ETP Sludge	34.3	5 MT/yr	Land Disposable	--

Description of Hazardous Wastes	Sr No.	Name of HW Wastes	Physical form	Chemical Form / Composition	Whether disposed within the factory or outside the factory
	1	Used Oil	Liquid	Oil	Reuse
	2	Empty Drums containers	Solid	Metal	To be sold recyclers
	3	Date-Expired, Discarded & of specification	Solid	Drugs	To TSDF Site
	4	ETP Waste	Solid	Sludge	To Disposed TSDF Site

Disposal of Hazardous Wastes	Year	Quantity generated	Quantity disposed for reuse/recycling	Quantity disposed by incineration	Quantity disposed through landfill sites (indicate name o the site)	Other mode of disposal (if any)

Name and Address of persons/industries to whom the hazardous wastes are sold for recycling or reuse (enclose copies of their water/Air consent orders and authorization issued by the concerned state board/ committee and copy sale agreement.	:-	Not applicable
---	----	----------------

Details of on-site collection, storage, disposal of hazardous waste. Enclosed the drawings of on-site storage system.	:-	<p>Used Oil (5.1) : We are collected in close container and Reuse.</p> <p>Empty Drums containers (33.3) : will be collected and stored it will be sold out to recyclers.</p> <p>Date- Expired, Discarded &amp; off Specification Drugs/Medicines : (28.4) : Generated Date-Expired</p> <p>Drugs/Medicines is collected manually and stored in solid waste is collected manually and stored in solid waste storage area, it is land disposable, it is disposed off through TSDF.</p> <p>ETP Waste (34.3) : Generated ETP waste is collected manually</p>
---	----	---

Do you have any proposal to upgrade the present solid waste management system? If yes, provide the details	:-	Not applicable
--	----	----------------

Name, quantity and method of disposal of Non-hazardous solid waste generated	:-	Corrugated Wastes - 100 Kg/Yr (Appox) Generated corrugated wastes is collected manually and stored at scrap yard and will be sold out to local scrap dealer
--	----	---

Details of hazardous wastes imported	Sr No.	Name of products	Quantity to be imported as per License	Quantity imported during the last three years		

Whether the applicant obtained registration of the unit from MOEF for possessing Environmentally sound Management Facilities for recycling / re-refining hazardous wastes. If yes provide copy of the same.	:-	Not applicable
---	----	----------------

Details of important process machinery and its production capacity	:-	Already submitted
--	----	-------------------

Detail of manufacturing process	:-	Already submitted
---------------------------------	----	-------------------

Details of water Pollution control system installed including drawings and the copy of performance evaluation report of the same.	:-	Not applicable
---	----	----------------

Do you have any proposal to upgrade the present wastewater treatment systems, If yes, provide the details.	:-	Not applicable
--	----	----------------

Water consumptions			Waste water generation		
Domestic	:-	5000 Lit./Day	Domestic	:-	1000 Lit./Day
Industrial	:-	--	Industrial	:-	--

Details of Water cess paid from the date of commissioning of the unit	:-	To paid water Cess
---	----	--------------------

Details of Air Pollution control system installed and the copy of performance evaluation report of the same.	:-	Not applicable
--	----	----------------

Do you have any proposal to upgrade the present Air Pollution Control System? If yes provide details	:-	Not applicable
--	----	----------------

Details of D.G Sets	Sr. No.	DG Capacity	Whether acoustic enclosure provided or not
		D. G. SET - 625 KVA	Yes

Details of consent issued under Water/ Air Act	Date of issue of consent to establish	Date of issue of consent to Operate	Validity of latest operate /renewal consent order
--	---------------------------------------	-------------------------------------	---

	11-12-2014	11-12-2014				
	30-11-2015	30-11-2015				
Date of issue of Authorization under hazardous wastes rules and its validity	:-		Fresh application			
Whether any separate Electricity Meter is installed for Pollution control system. If yes, please provide the monthly power consumption for the last one year.	:-		Not applicable			
Any other information	:-		Not applicable			

We declare that the provisions of Hazardous Wastes (Management & Handling) Rules 1989 as amended from time to time and Manufacture, storage and import of Hazardous Chemicals Rule 1989 as amended from time to time were gone through and the information furnished above is correct to the best of our knowledge.
